

K-LOVE radio is a very important part of my community, it is the only radio station that carries the Christian music that I need to hear daily as it helps me focus on my day and my daily walk with God. If K-LOVE were to be displaced by an LPFM broadcaster, this would be awful for my community. As it is now, people searching the for God have the opportunity to hear great witnesses on K-LOVE, without it, people wouldn't be hearing how God loves them and can help them. I believe that we as a nation and as a community are forgetting our roots and the reason that our founding fathers made the pledge "In God we trust." With the availability of a Christian station such as K-LOVE, people are able to hear and know that people care and are praying for them. The uplifting music and Godly artists share their testimony for all to hear and this can make a significant difference in one's life.
